

July 2006

Dear Parent/ Guardian

Please find enclosed an application form for your child to attend Altru Drama's summer drama zone. The application form should be completed in full and returned as soon as possible to Altru Drama, 26 Hope Street, Liverpool, L1 9BX.

We are very excited about this year's Summer Drama Zones and we hope that your child will be able to attend. Each week promises to be great fun – with games, improvisation, songs, movement and performance.

Children are involved in the creation of rules for their week and, as such, are given a sense of ownership which fosters good behaviour. Each day, children will take part in sessions on an aspect of performance – voice, movement, characters and images. Each day will also begin with a 'welcome workshop' of warm up games to wake up the body and help to focus the mind.

We are also offering early bird and late leaver sessions for those children whose parents work during the holidays. Early bird sessions are from 9:30 – 10am and cost £2. Late Leavers sessions run from 3:30 – 4:30pm and cost £3. Both sessions will continue to be interactive – early birds will begin their warm up early and late leavers will play games and have chance for some relaxation before home time! We hope that by providing the early bird and late leaver sessions we can give families some flexibility and the provision they need. Please indicate on the application form which early bird and later leaver sessions you require your child to attend.

Children will be supervised over lunch and will be expected to bring a packed lunch.

Children under 12 MUST be collected by an adult. If this will not be a parent, an Altru team member must be informed of the designated adult's name on the morning of the session. If your child is 12 or over and you would like them to be collected, please let us know.

We look forward to meeting your son/daughter in the summer.

Best wishes,

Kate Gorst
